CASINO NIGHT FOR ROSE BROOKS CENTER
SHERATON - OVERLAND PARK.

January 2008 - We had 22 members. We looked at ways to increase our membership and where we were headed this year as a charity.

February 2008 - Created a Membership Drive project called Each One Brings One Every Month. Within this project, we work to have each member bring in another member every month. Our goal is to have 22,000 members by the end of February 2009. At the end of our first quarter in 2008, we have 31 members.

February 2008 - We applied for our first grant as a charity to Martha Lee Cain Tranby Music Enrichment Fund. We have since found out that we did not receive funding for this grant application.

March 2008 - We are now promoting events for Rose Brooks Center in our newsletter. In March 2008, Rose Brooks Center signed on as our first partner in the Artistic Advocates for Healing Partnership Wheel, thanks to the efforts of our Executive Director and Kerry Gentry from Rose Brooks.

To the Membership

Have you told any of your family and friends about our charity? Have you asked anyone to join? We are asking our members to be an active part of their charity, Artistic Advocates for Healing, by bringing in new members.

Watch for the next issue of the Artistic Advocates for Healing Newsletter to find out more about what's been happening with your charity.
